## WHY DO JUNIOR BIBLE QUIZ?

Whether you're new to JBQ or an old pro, check out these Q and A's to explore the "why" behind JBQ. (This info also makes a great resource to introduce new parents to the program!)

### Q: What is the purpose of JBQ?

**A:** JBQ was created to help children develop a love for the Bible and an understanding that its truth can guide their lives daily.

### Q: What are the Bible Fact-Pak Question Cards?

**A:** The Bible Fact-Pak Question Cards contain 576 questions and answers drawn from the Bible. Some questions provide background about the Bible and its contents. Other questions explore the teachings and doctrine within the Bible. All of the questions give children solid basis for a strong and lasting relationship with God.

Question difficulty is shown by point value. Ten-point questions are the easiest; twenty-point questions are more difficult; thirty-point questions are the most involved. Check out [biblefactpak.com](http://biblefactpak.com) to find out more and to use the question generator.

### Q: What is JBQ competition?

**A:** JBQ competition is a fun, exciting way to motivate children to understand the all-important truths of God's Word. Through competition, the children meet with other teams for a fun quiz match. There are 20 questions in a match, with two teams of quizzers trying to beat each other to the buzzers to get the first shot at the answers.

Success is not dependent on winning in competition. Success comes when a child

internalizes and develops a love for God's Word, allowing it to guide him through his life.

### Q: What is Personal Achievement?

**A:** JBQ also offers the individual achievement Bible Master program for those who don't want to compete, or for those who want to go even further with JBQ. Kids can take the solo challenge to conquer the cards by mastering the entire set of 576 Bible Fact-Pak questions through six levels of individual quizzing.

### Q: Is the Bible Fact-Pak only for JBQ?

**A:** Being part of JBQ isn't the only way to help kids learn about God's Word. Children can compete against themselves or as a fun and exciting activity for Sunday School. They're also perfect for family game night!

Get the entire family involved in learning the Bible.
