her heart...
 her world...
 His purpose

The girls in your church and those whom you hope to reach are an integral part of the Church of tomorrow. From academic demands to peer pressure to other social trends, it is becoming more and more of a challenge to present a down-to-earth, Bible-based approach to learning as we guide them in their journey to womanhood. But what an exciting opportunity!

As a leader, you will present activities and lessons that show girls a better, Christ-centered way to live. This truth is in stark contrast to a self-centered

worldview where scantily clad tween and teen girl idols' lives tell a different story. We are pleased to partner with you on this journey to help girls understand that God wants to work in and through them to complete His purpose for their lives.

Thank you for your commitment to Girls Ministries. May you leave a legacy of love and faithfulness which will enable girls of all ages to become strong, healthy, and confident young women of purpose!

Investing in the next generation!
