

# Simple Church

Returning to God's Process for Making Disciples  
by Thom S. Rainer and Eric Geiger

## ABOUT THE BOOK

The simple revolution is here. From the design of Apple products to Google's uncluttered homepage, simple ideas are changing the world.

Now in paperback, multi-awarded #1 national bestseller *Simple Church* guides Christians back to the simple gospel-sharing methods of Jesus. No bells or whistles required. With insights based on case studies of 400 American churches, Thom Rainer and Eric Geiger prove the disciple-making process is often too complex. Simple churches thrive by taking four ideas to heart: Clarity. Movement. Alignment. Focus.

*Simple Church* examines each idea, clearly showing why it is time to simplify. This updated trade paper edition includes a new chapter with further insights the authors have gained through hundreds of conversations with church leaders since this landmark book's original release.
