# NO LONGER BOUND

# 2025 *Theme*

---

The National Girls Ministries Department is thrilled to announce that 2025 is a year of being **Set Free** and living **No Longer Bound!** As Jesus said in John 8:31-32 (NLT), “Jesus said to the people who believed in him, ‘You are truly my disciples if you remain faithful to my teachings. And you will know the truth, and the truth will set you free.’”

Our elementary-age Mpact Girls Clubs celebrate that girls are **Set Free** to become all that God created them to be! Through relational discipleship, we establish a strong foundation of biblical truth and Christ-esteem. These clubs encourage the joy of learning, the value of friendship, and the fun of events and activities within the impact of mentorship.

**No Longer Bound** is the theme for our Teen Girl Clubs, empowering both middle and high school girls to continue in a transformative experience. These small groups build in more discussion and relationship building with peers and leaders. Relational discipleship builds a strong biblical foundation and helps them break free from emotional, spiritual, and societal chains through the truth of Jesus Christ.

Now is the time! Let’s be the shoulders our girls stand on as they soar into all that God has for them. As leaders engage in spiritual formation with the girls, we are fulfilling the Titus 2 model—women impacting the lives of girls as they grow into women of God!

Blessed and honored to serve you,

KIM SHARP

## GIRLS MINISTRIES

Girls Ministries has a legacy of godly women coming alongside girls, guiding them on a path to becoming mature and godly women. Our goal is simple: To see every girl moving toward a deep relationship with Jesus Christ, and to realize her importance and potential in the kingdom of God.

## WHY GENDER SPECIFIC

Research shows girls learn more quickly and deeply when taught by a role model. Girls need a real-life example. When a girl understands what it means to be a godly woman, she aspires to the design that God intended. Gender-specific ministry has many benefits, but the greatest of these is for a girl to feel safe and secure in her discovery of who God intends her to be.
