*her heart...her world...His purpose*

The girls in your church and those whom you hope to reach are an integral part of the church of tomorrow. From academic demands to peer pressure to other social trends, it is becoming more and more of a challenge to present a down-to-earth, Bible-based approach to learning as we guide them in their journey to womanhood. But what an exciting opportunity!

As a leader, you will present activities and lessons that show girls a better, Christ-centered way to live. This truth is in stark contrast to a self-centered worldview where scantily clad tween and teen girl idols' lives tell a different story. We are pleased to partner with you on this journey to help girls understand that God wants to work in and through them to complete His purpose for their lives.

Thank you for your commitment to the *Girls Ministries* discipleship program. May you leave a legacy of love and faithfulness which will enable girls of all ages to become strong, healthy, and confident young women of purpose!

Investing in the next generation!

## GIRLS MINISTRIES

The *Girls Ministries* church-based discipleship program has a legacy of godly women coming alongside girls, guiding them on a path to become mature and godly women. Our goal is simple: To see every girl moving toward a deep relationship with Jesus Christ, and to realize her importance and potential in the kingdom of God.

## What Makes Girls Ministries Different?

The *Girls Ministries* discipleship program is the premier program for preschool through high school girls in the world. No other girls ministry program has our variety of activities, focused discipleship track, or a 60-plus-year proven track record of helping girls become confident, godly women who are leaders in the church, home, and world.

## Why Gender Specific?

Research shows girls learn more quickly and deeply when they are taught by a role model. Girls need a real-life example. When a girl understands what it means to be a godly woman, she aspires to the design that God intended. A single-gender classroom has many benefits, but the greatest of these is for a girl to feel safe and secure in her discovery of who God intended her to be.

## Girls Clubs Are Made For:

- Midweek
- Sunday School or small group
- After school
- Outreach, and more

Go to [ministry4girls.com](http://ministry4girls.com) to view additional format options.

## Join The Club

If you're looking for a girls ministry that seamlessly weaves fun and biblical training together, Girls Clubs are for you! Your girls will get:

- Adventures, activities, and games that show them how discovering God's Word is fun!
- Lessons in valuable life skills from sportsmanship and integrity, to cooking and outreach.
- One-on-one help in choosing actions, attitudes, and behaviors that please God.

## The Bottom Line: Relationships

Girls encounter difficult situations as they grow up. By intentionally fostering relationships between girls and leaders through Girls Clubs, you can create a safe environment for girls to discuss issues they face and get godly counsel. Most importantly, Girls Clubs show each girl that God loves her and wants a relationship with her.

## Girls Clubs Fast Facts:

- Age-level clubs offer a variety of units, so leaders can choose which ones best fit their girls' interests and needs.
- Girls Clubs are flexible. A closer look at today's culture confirms the need to offer a nonachievement option for utilizing the curriculum. If the traditional methodology of the curriculum is not feasible in your church, the material can be used solely as a discipleship tool.
- Units can be completed in as few as four weeks, which means visitors can easily follow along with other girls.
- Girls have the chance to learn 242 Scriptures.
- In the third- to fifth-grade levels, girls begin a regular Bible reading routine and read the entire New Testament.
- In the Teen Girl Ministries level (middle and high school), girls read the entire Bible.

This thought is taken from the parable of the mustard seed.

“The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it **grows**, it is the largest of garden plants and **becomes a tree**” (Matthew 13:31–32, NIV).

There are amazing mentors who **plant seeds** of God’s love in the lives of girls in their world. Just like fertile soil, the girls are ready and waiting to **grow in Jesus**. With consistent teaching and training, you will see them begin to **blossom**, and eventually come to **full bloom** as true followers of Christ.

# Nurturing Hope for a Thriving Future

Imagine if you were all alone, with no home and no family to take care of you. Kids your age in Baneasa have had no place to go . . . until now. With *Coins for Kids*, we can help missionaries build a center where every kid has someone who cares about them.

Through our project Caring for Baneasa, we're raising money so a new center can provide hot meals, school supplies, health classes, and even a greenhouse to grow veggies. With just your spare change, you can help kids just like you learn to read, grow strong, and have a chance to play on a playground for the first time in their lives!

When you give to *Coins for Kids*, you're helping to bless other kids with a place where they can feel safe and cared for. If we all work together, we can make sure the kids of Baneasa never feel alone again!

To view a video of this project or to donate online, visit [ngmevents.ag.org/cfk/current.cfm](http://ngmevents.ag.org/cfk/current.cfm).
