DEAR ROYAL RANGERS LEADER,

To date, the Royal Rangers ministry has spiritually influenced over 2.5 million boys and young men in over 86 nations. As we continue to mentor future men, we continue to share our founder's commitment to "develop the total boy for Jesus Christ."

PROFOUND GRATITUDE FOR OUR RICH HERITAGE.

More and more churches start a Royal Rangers ministry each week and numerous denominations are adopting the ministry. As we move into our bright future, we do so on the solid foundation established by others.

PREPARED ANTICIPATION FOR THE FUTURE.

Let's work together to faithfully fulfill our mission to equip the next generation of young men for a lifetime of serving Christ. Their future is our future.

NOW IT'S YOUR TURN AND MINE, TOO.

Thank you for being a part of the movement of leaders who mentor future men.

What Is Royal Rangers?

The opening lines of the **Royal Rangers Leader Manual** say it all: *“Royal Rangers is a mentoring ministry for future men, providing Christlike character formation and servant leadership development for boys and young men in a highly relational and fun environment. Our mission is to evangelize, equip, and empower the next generation of Christlike men and lifelong servant leaders. Royal Rangers enables pastors and men to influence more boys and young men than ever, more effectively than ever!”*

Royal Rangers at

The Royal Rangers activity-based, small group church ministry is designed for boys and young men in grades K–12. We provide a diverse program of fun activities specifically designed to meet the unique needs and interests of boys. Boys participate in weekly small group meetings and activities under the leadership of adult men and women who are specifically trained to deliver the adventure that is Royal Rangers.

Mentor Your Boys to Become Godly Men.

Through a diverse program of activities, the Royal Rangers ministry provides something for every boy, and every activity gives your leaders the opportunity to mentor boys into true Christlike manhood. By participating in group activities with godly men, boys will develop confidence and learn by example and biblical counsel how to become the men God designed them to be.

Equip Your Men to Be Godly Mentors.

Boys today have a variety of interests, and now mentors with a broad range of interests and abilities have the opportunity to disciple them. A Royal Rangers ministry is stronger by involving dads in the lives of their sons, men from every generation and those with a variety of backgrounds. The resources and training Royal Rangers offers will give new and experienced mentors the confidence to enjoy ministry success.

Develop Your Men and Boys for Leadership.

There is no better way to shape lifelong servant leaders than by instructing them to lead and then stepping back as they take charge to the degree their age, maturity and growing abilities allow. This will prepare them for the future while giving them ownership of their outpost today.

Create Your Program to Fit Your Church.

As a church you choose the activities that will draw the most boys, the best staffing solutions, the leadership style your boys need, how much product you depend on, and the apparel that will make young men proud to be associated with your Royal Rangers outpost and your church. With the Royal Rangers ministry, you get effectiveness and all the flexibility you need!

Print Components

Printed curriculum items include the **Royal Rangers Leader Manual** and the boys' handbooks for Ranger Kids, Discovery Rangers, Adventure Rangers, and Expedition Rangers. These books serve as core reference material for all aspects of the Royal Rangers program and are integral components of the leadership and skills development process.

The Guy's Journey series of books also serve key roles in the program. **A Guy's Journey to Manhood** describes the process by which God develops boys into powerful men of God. It explains how God takes them on an adventure, shapes their character, and equips them for a unique task. This book describes the Royal Rangers core message and is used by leaders and boys at various points in the program.

A Guy's Journey to Servant Leadership can be used when teaching the leadership merits and is also a valuable reference when teaching general leadership principles. Leadership distinctives from all the leadership merits are included in this book for ease of reference, while the leaders teaching materials are in TRaCclub.
